

Numerical Skills Tutor Role Description

Location: Kampala (Part-time Hybrid Role)

Organization: Vine Tutoring Hub

About the Role

We are seeking a passionate **Mathematics Tutor** for a part-time hybrid position based in Kampala, with the flexibility to work remotely. The Mathematics Tutor will play a key role in helping students develop strong numerical skills and build confidence in their abilities.

Key Responsibilities

As a Numerical Skills Tutor, your responsibilities will include:

- Conducting both physical and online tutoring sessions for students.
 - Creating and delivering engaging, tailored lesson plans.
 - Providing personalized academic support to students.
 - Fostering effective communication and encouraging active learning.
 - Supporting diverse student populations by adapting teaching methods to individual needs.
-

Qualifications

To succeed in this role, you should have:

- Proficiency in Mathematics, including Algebra and numerical skills.
 - Experience in tutoring, particularly in an online setting.
 - Strong communication skills and the ability to simplify complex concepts.
 - Expertise in designing effective and engaging lesson plans.
 - Excellent interpersonal skills, patience, and the ability to motivate students.
 - A **Bachelor's degree** in Mathematics, Education, or a related field.
 - Experience working with students from diverse backgrounds (an asset).
-

Why Join Us?

At **Vine Tutoring Hub**, you'll be part of a vibrant team where your passion for teaching will directly impact students' success and confidence. This role offers flexible work arrangements, making it ideal for professionals who value adaptability and work-life balance.

Application Instructions

To apply, please send a **cover letter** and **CV/resume** to:

Email: vinetutoringhub@gmail.com

- Use the subject line: **Numerical Skills Tutor Application – [Your Name]**
- Example: **Numerical Skills Tutor Application – John Doe**

We look forward to your application!
